

## Join SOUP, our stakeholders group

Are you a young person who comes to GIDS? Want to help improve the service?

We care what you think – have your say and help shape the future of GIDS.

Next meeting: Wednesday 20 February, 2 to 3.30pm, Tavistock Centre

### Tell us:

- How do we make GIDS more inclusive of non-binary identities?
- How do you use social media to explore and understand gender diversity and transition?
- What do you think about our research plans and other improvements?
- Anything else you want to talk about!
